

KAUN BANEKA CROREPATI 2025 – PLAY ALONG GAME

Frequently Asked Questions (FAQs)

1. What is KBC Play Along?

Ans: KBC Play Along is an exciting concept which allows you to play along with Kaun Banega Crorepati ("KBC" or "Show") being broadcast on Sony Entertainment Television (SD & HD) starting August 11, 2025 and win exciting prizes. The application will display the questions and answer options in sync with the telecast of the KBC show on TV.

As and when the question is asked during the episode, the question will appear live on the KBC Play Along section on the Sony LIV App. Based on the answer options shown on the TV and the SonyLIV app, players should select the correct answer and lock it.

Answers will be revealed on TV and App* simultaneously. Correct answers enable a player to move ahead in the game and earn points and win exciting prizes.

Apart from the main Play Along Game, we also have a Daily quiz where you can answer 5 questions and earn additional points.

**"Sony LIV" or "App" means the OTT platform accessible as an application and through web, owned and operated by CMEPL where the PAG will be hosted.*

2. How do I get KBC Play Along?

Ans: Players (hereby referred as 'Play Along Players' or PAPs) should download the latest version of the SonyLIV app (available for Android on Play Store / for iOS on App Store for free). Once installed you can click on the 'KBC Play Along' banner or icon to access 'KBC Play Along' and register yourself. Registration is mandatory for you to be able to participate and hence we would suggest you do this before the telecast of the Show starts so that you have enough time to register, get acquainted with the format and select your preferred language.

3. How much time will I get to answer the question?

Ans: During each episode of the Show, the PAP will have to answer questions within the Stipulated Time. The Stipulated Time varies for each question and if the next question has been asked on the TV show, the timer of the current question will not extend beyond that time.

4. I did not select 'Lock / Submit' after selecting the answer, would my answer be recorded?

Ans: No. 'Lock / Submit' tells us that you are confident about the answer and want to submit that answer. If you do not Lock / Submit the answer, it will be treated as unanswered.

5. Which lifelines will I be able to use on KBC Play Along?

Ans: You will be eligible to get one lifeline '50-50' during gameplay for each episode. This feature will become active only for questions where the total timer is more than 45 seconds. Other than this, you will not have any lifelines to use on KBC Play Along Game as we want you to use your best guess for the correct answer and win points.

6. I gave a wrong answer, do I have wait for the next contestant to come on TV?

Ans: No, you will have to wait till the next question is asked on the Play Along Game.

8. Are the points displayed on the PAG leader board only for a single episode?

Ans: The points that are displayed on the PAG Leader board are the points earned by the PAP during the episode. Your points are accumulated throughout the season – across the PAG and Daily quiz and any other point winning activity that might be introduced from time to time, which you would have participated in.

CMEPL may also decide to separately display the leader board of certain sponsor driven quizzes from time to time as it deems fit.

9. How do I give you feedback about the KBC Play Along? Where do I send my queries regarding PAG?

Ans: Your feedback helps us improve the KBC Play Along Game and we would love to hear from you. Please share your feedback by sending an email to us at kbcresponse@setindia.com

10. What happens if the network connection breaks, or I get a call or SMS while I'm playing the game?

Ans: If you get a call or SMS while playing, do not exit the SonyLIV app, but continue playing after your call has ended. However, the timer may have ended, in which case you will need to wait till the next question is asked on the TV show.

In the event network connection breaks for any reason, you may be disqualified from continuing to play one or more questions. PLEASE remember to stay in an area with a good network connection when playing this game! And do try and avoid lifts, basements, and tunnels!

11. If I change my phone number, can I continue to play the game?

Ans: Your phone number is your identity in the SonyLIV app. Using a different phone number would mean you are a new participant as far as we are concerned. So, to maximise your points, stick to one phone number. And don't play with another person's phone number - or that person will be the one winning the points and prizes, if any!

SonyLIV identifies users through their unique registered phone numbers. Hence, in the event of sharing of login ID/ password, multiple logins, multiple registrations through your registered phone number, loss of registered phone number or other such instances, CMEPL will send winning vouchers / coupons / etc to the PAG profile through which the game was played and won the prize.

12. Can anyone play the game?
